

Not So Simple Living Fair 2017
Marketplace Vendor Application

NSSLF 2017 will be July 28 – 30 at the Mendocino County Fairgrounds in Boonville, CA.

The Marketplace is an opportunity for fairgoers to buy handcrafted items from our vendors. The ideal situation is for vendors to be set up for both Saturday and Sunday, however some are not able to make that commitment.

Vendors can camp for a fee in the NSSLF campground, and can set up their vendor booth on Friday, if they wish.

The Marketplace will be adjacent to the Grove this year, which is the heart of the event. Vendors will have a 10' x 10' space and will pay 10% of their fair income at the end of the event.
