

**THIS IS AN ANDERSON VALLEY FOODSHED EVENT**

The Anderson Valley Foodshed Group works toward a vibrant, healthy local food system for our community. We celebrate our local foods, farmers & gardeners. We aim to increase our capacity to grow a diverse, year-long supply of food for all who live here. We work toward these goals through education, connecting people to each other, & creating new opportunities to grow, process & enjoy locally grown food.

# NOT - SO - SIMPLE LIVING FAIR

CELEBRATING RURAL LIVING SKILLS IN MENDOCINO COUNTY  
 WORKSHOPS, DEMONSTRATIONS & DISCUSSIONS,  
 LOCAL FOOD, LOCAL TOOLS, LOCAL KNOWLEDGE

**Hands on!**

**BRING YOUR OWN** place settings and refillable water bottles in order to save resources. Most food vendors do not provide utensils, nor does the Saturday night potluck. Some place settings are available for purchase at the BYO booth.

**WE ARE ZERO WASTE**, use the recycling stations
