

THIS IS AN ANDERSON VALLEY FOODSHED EVENT

The Anderson Valley Foodshed Group works toward a vibrant, healthy local food system for our community. We celebrate our local foods, farmers & gardeners. We aim to increase our capacity to grow a diverse, year-long supply of food for all who live here. We work toward these goals through education, connecting people to each other, & creating new opportunities to grow, process & enjoy locally grown food.

THE ORGANIZING COMMITTEE

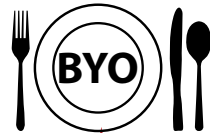

Louise Allard
Sophia Bates
Kathy Borst
Jenny Burnstad
Steve Fish
Rob Goodell
Abeja Judy Hummel
Barbara Lamb
Linda MacElwee
Lynda McClure
Lama Nasser-Gammett

Down to Earth Landscaping
Fabulous Presenters
Fabulous Volunteers

BRING YOUR OWN place settings and refillable water bottles in order to save resources. Most food vendors, nor does the Saturday night potluck provide utensils. Some place settings are available for purchase at the BYO booth.

WE ARE ZERO WASTE, use the recycling stations-
