

**Not So Simple Living Fair 2017  
Marketplace Vendor Application**

NSSLF 2017 will be July 28 – 30 at the Mendocino County Fairgrounds in Boonville, CA.

The Marketplace is an opportunity for fairgoers to buy handcrafted items from our vendors. The ideal situation is for vendors to be set up for both Saturday and Sunday, however some are not able to make that commitment.

Vendors get free entrance for themselves and one helper, and can set up their booth on Friday, if they wish. If camping in the NSSLF campground, they are encouraged to pay the regular camping fee of \$10 per night per car. This helps NSSLF pay for the use of the facilities.

The Marketplace will be adjacent to the Grove this year, which is the heart of the event. Vendors will have a 10' x 10' space and will pay 10% of their fair income at the end of the event.
